

## JOURNEY MODULAR DISPLAY SYSTEM

Pack up your SEG and go with this lightweight, portable frame.

- Modular design allows you to expand and modify into various configurations
- Combine with other Journey components to craft a highly adaptable and visually striking display (sold separately)
- Artwork is dye sublimated on recycled polyester knit
- 100% recycled media is made with fibers recycled from plastic bottles
- 1.625" frame depth
- Aluminum frame can be recycled after use
- Tool-free assembly

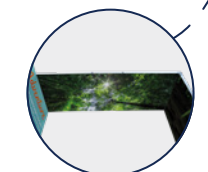

**NEW**  
PRODUCTS

Use the 90° Connector Set to build corners with your display.

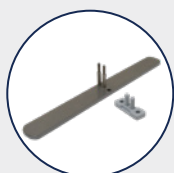

Bridge Connector Set easily attaches at the top of the frame to allow you to connect a Journey wall over the top of two Journey walls.

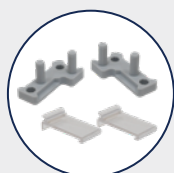

Create an intriguing graphic for the underside of the bridge.

### Journey Modular Connector Sets

**180° Connector Set**  
Connect two Journey walls in a straight line.

**90° Connector Set**  
Connect two Journey walls at a 90° angle.

**T Connector Set**
