

TRIGA® GO MODULAR DISPLAY SYSTEM

The TRIGA® Go modular display system is a lightweight, portable display solution designed for easy setup and customization. It offers a sleek and professional presence for trade shows, events, and brand activations.

- Modular design allows you to expand and modify into various configurations
- Combine with other TRIGA® Go components to craft a highly adaptable and visually striking display (sold separately)
- Innovative fabric tension poles ensure a wrinkle-free finish
- One-piece wraparound graphic provides a polished look
- Available in single- and double-sided options
- Artwork is dye sublimated on recycled polyester knit
- 100% recycled media is made with fibers recycled from plastic bottles
- Compact and lightweight
- Packs flat for easy transport
- Tool-free assembly
- Warranties range between two and three years (see website for details)

Graphic simply slides into grooves on the top and bottom rails.

Easily connect horizontal rails to vertical poles.

Join the top and bottom poles by turning the connector to lock.

Corner braces provide added stability to your display.
