## CHOOSING YOUR BOOTH SPACE

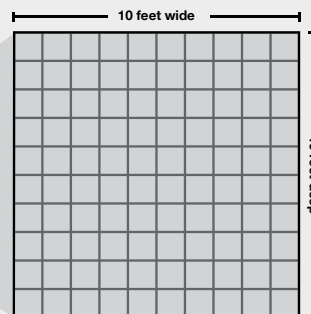

### AN IMPORTANT DECISION

When it comes to choosing your booth, inline exhibits are budget friendly and the most plentiful within the exhibit hall. Main aisles and the end of rows are excellent locations as attendees will stop and take a look down the aisle before continuing their journey.

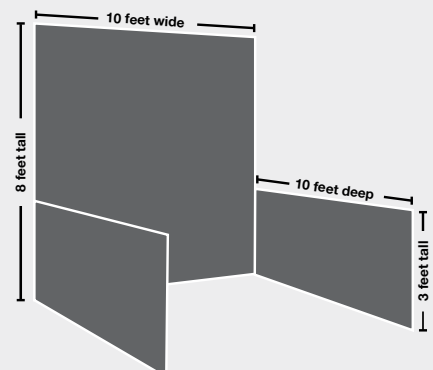

A Standard 10' x 10' or Inline exhibit space shares a common back wall and/or side(s) with other exhibits with only one side exposed to the aisle. These exhibit spaces can be purchased individually or consecutively to make a 10' x 20', 10' x 30', 10' x 40', etc. Other booth sizes, such as islands and peninsulas, are also available.
