Display Options

SHOWGLOWER COUNTER WITH BLOCK-OUT BACK PANEL

Backside of the counter features a block-out panel. Ideal for when a person is standing behind the counter, because the block-out panel will prevent that person from being affected by the glow.

SHOWGLOWER COUNTER

Counter features graphic panels in both the front and back. Ideal for when guests can see both sides of the display.

LED lights on the top and bottom of the frame create a glow effect.

The MDF tabletop offers a great deal of usable surface.

Prices are subject to change; visit our website for the most current pricing.
Setup fee: \$20.00(G); no setup fee on orders placed via our website. View current graphic templates, assembly videos and instructions on our website.
