- Generate ideas.
- Create impactful presentations that work for your company.

CHOOSING YOUR BOOTH SPACE

AN IMPORTANT DECISION

When it comes to choosing your booth, inline exhibits are budget-friendly and the most plentiful within the exhibit hall. Main aisles and the end of rows are excellent locations as attendees will stop and take a look down the aisle before continuing their journey.

- A Standard 10' x 10' or Inline exhibit space shares a common back wall and/or side(s) with other exhibits with only one side exposed to the aisle.
- These exhibit spaces can be purchased individually or consecutively to make a space that is 10' x 20', 10' x 30', 10' x 40', etc.
- Other booth sizes, such as islands and peninsulas, are also available.
