

# Door Wrap Installation Instructions

## Product Parts

### 1. Door Wrap Graphic

NOTE: A Step Ladder may be necessary for installation.

Fits Standard doors 80" tall

## Graphic Installation

### Step 1

Open Door Wrap to create an opening between the front and back. Using a Step Ladder (if necessary) place the top of the Door Wrap over the top of the door.

### Step 2

Pull the bottom of the Door Wrap under the bottom of the door and straighten to desired position.

## Care

Recommended for indoor use only.  
Machine wash on gentle cycle using mild detergent.  
Tumble dry low-heat setting only. Do not dry clean. Do not iron.
