

# Exhibition Counter XL

## Product Parts

- 1.Counter Hardcase (x2)
- 2.Wood Countertop (x2)
- 3.Wood Shelf (x8)
- 4.Footguard
- 5.Graphic

## Display Set-up

### Step 1

Open each Counter Hardcase (1) and remove Contents

### Step 2

Slide each Wood Shelf (3) into each of the 8 shelf grooves inside the Counter Hardcase (1)

### Step 3

To Attach the Wood Countertop (2), Keep folded and align the groove to the edge of the Counter Hardcase (1). Unfold and aligned the groove toward the center (hinged side) of the Counter Hardcase (1).

Latch Wood Countertop (2) to the Counter Hardcase (1)

### Step 5

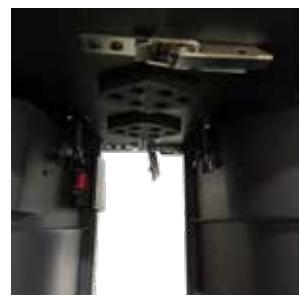

Repeat for Second Counter Hardcase

## Attaching the Counters

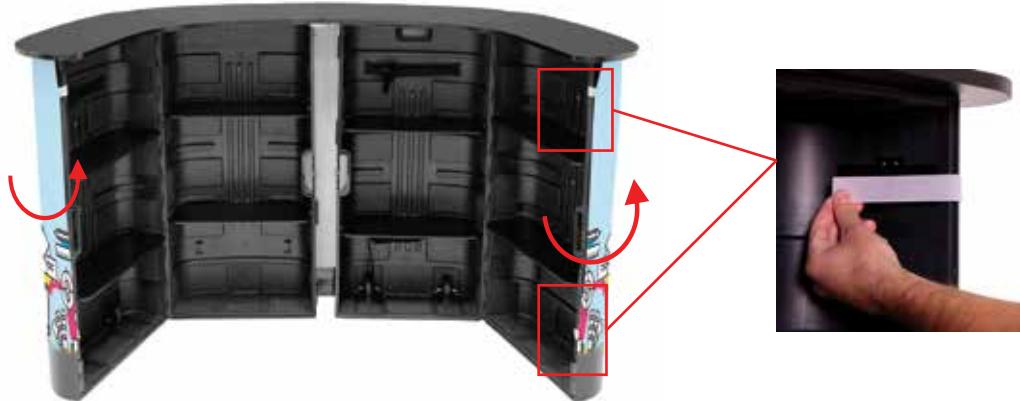

### Step 6

Align the Flat ends of the Countertops (2). Once they are flush attach Wood Countertops (2) using the metal latches on the underside of one of the countertops (2) latch to the catch on the opposite Countertop (2).

### Step 7

Attach Graphic using hook and loop straps that connect on the inside of the Counter Hardcase (1) and wrapping graphic around the front.

### Step 8

Attach the Footguard (4) by wrapping the folded end of the Footguard (4) around the bottom edge of the Counter Hardcase (1). Wrap the Footguard (4) around the front of the Counter Hardcase until the other folded end is secure.

## Storage & Care

Place all product parts into Carry Case and store in a cool dry location. To clean non-graphic hardware, wipe with a damp cloth.
