

Exhibition Counter

Product Parts

- 1.Counter Hardcase
- 2.Wood Countertop
- 3.Wood Shelf (x4)
- 4.Footguard
- 5.Graphic

Display Set-up

Step 1

Open Counter Hardcase (1) and remove Contents

Step 2

Slide each Wood Shelf (3) into each of the 4 shelf grooves inside the Counter Hardcase (1)

Step 3

To Attach the Wood Countertop (2), Keep folded and align the groove either side to the edge of the Counter Hardcase (1). Unfold and aligned the groove toward the center (hinged side) of the Counter Hardcase (1).

Uses the latches on either end of the Wood Countertop (2) to secure to the Counter Hardcase (1).

Step 5

Attach Graphic using hook and loop straps that connect on the inside of the Counter Hardcase (1) and wrapping graphic around the front.

Step 6

Attach the Footguard (4) by wrapping the folded end of the Footguard (4) around the bottom edge of the Counter Hardcase (1). Wrap the Footguard (4) around the front of the Counter Hardcase until the other folded end is secure.

Storage & Care

Place all product parts into Carry Case and store in a cool dry location. To clean non-graphic hardware, wipe with a damp cloth.
