

Narrowcade & Minicade

NARROWCADE: KIT: 210260, HARDWARE: 210261
MINICADE: KIT: 210262, HARDWARE: 210263,
GRAPHIC ONLY: 271090

Product Parts

- 1 - A-Frame Sign
- 2 - Graphic Panels
(2 Graphic Panels
With Kit Purchase)
- 3 - 12" Strips Hook (2)
- 4 - 12" Strips Loop (2)
(Hook/Loop not
attached to graphics)

Graphic Install Using Well Nuts (Sold Separately - in pkgs of 20 Item #WN20)

Step 1

Drill 6 - 1/2" holes into the frame in the desired location to attach the graphic. Insert the well nuts into the pre-drilled holes.

Step 2

Screw bolt into well nut until it expands like a molly in drywall. Remove the screw and you now have a permanent screw receptacle enabling easy graphic replacement.

Step 3

Position the sign on the frame to determine where holes need to be on the sign to line up with well nuts. Drill 1/4" holes in Sign for Bolt. Screw sign to frame.

Graphic Install Using 1" Wood Screws (Not Provided)

Step 1

Recommended screw 1/8" diameter and no longer than 1"

Position the sign on the frame and drill pilot holes (slightly smaller than screws) thru the sign and frame.

Step 2

Screw the sign to the frame using the pre-drilled pilot holes.

Storage & Care

Store in a cool, dry location. Clean hardware with damp cloth and wipe dry. Clean graphics with dry cloth.

Warranty Information: All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
