

Mini Sail Sign - Magnet

Product Parts

- 1 - Top Pole
- 2 - Base Pole
- 3 - Magnetic Base
- 4 - Graphic

Set-up Instructions

Step 1

Remove screw from the Magnetic Base (3) by loosening the thumbscrew. Insert the Base Pole (2) into the Magnetic Base (3) by lining up the ridges on the Base Pole (2) to the Magnetic Base (3). Replace Screw and tighten.

Step 2

Insert the Top Pole (1) into the Base Pole (2).

Step 3

Completely slide the Graphic (4) onto the assembled pole and hook the elastic cord around the Base Pole's (2) hook.

Step 4

Simply place the product on any magnetic surface for display. Loosen screw to adjust pole to desired angle.

WARNING: DO NOT DRIVE WITH SAIL SIGN ON VEHICLE AS THIS COULD RESULT IN DAMAGE TO PRODUCT.

Storage & Care

Store in a cool dry location, away from direct sunlight. To clean, machine wash on cold gentle cycle. Tumble Dry-No Heat. Steam clean for wrinkles. Do not iron or dry clean the banner.
