(Any 3' x 5' or smaller
Flag can be used)

Display Set-Up

Step 1

Begin by removing the parts from the carry case.

Assemble the Poles (1-3) together by inserting the top

pole (1) into the Center pole(s) (2) and insert center pole into the bottom pole (3).

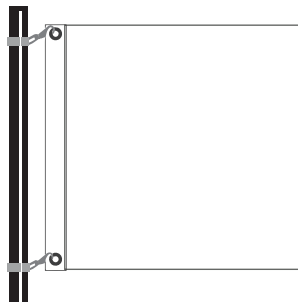

Step 2

Attach both hooks (4) to pole by sliding
the rubber section onto the top pole (1).

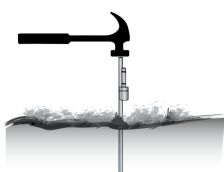

Step 3

Attach Flag (not included) to the hooks. Slide hooks along pole into desired position and tighten
Wingnuts to secure in place.

Spike Base Kit

Hammer Spike Base into the ground at desired
location. DO NOT hammer the shorter post. Insert
Bottom of Pole (3) over stem on Spike Base.

Vehicle Base Kit

See website #190709 for assembly of Vehicle Base.
Insert Bottom of Pole (3) over stem on Vehicle Base.

Storage & Care

Place all product parts into Carry Case and store in a cool dry location, away from direct sunlight. To clean, wipe with
damp cloth.
