Display Set-up

Step 1

Connect the Top Folding Section (2) and Bottom Folding Section (1).

Step 2

Insert Center Support Bar (4).

Step 3

If using as a stand alone display attach the feet (3) by inserting the pegs on the feet into the holes in the Bottom Folding Piece (1).

If using with additional Journey Hardware (not included), use the 90° Connector (5a) in place of the feet where corners of frames connect and use the Connector Clip (5b) to pull the two frames together.

Graphic Installation Process

Step 1

Start with the corners. Working in a clockwise motion insert each corner of the graphic into the frame.

Step 2

Move to the centers. Insert the centers of the graphic on each side of the frame.

Step 3

Complete installation. Insert the remaining portions of the graphic into the frame starting from the center points and working your way to the corners.

Storage & Care

Place all product parts into Carry Case and store in a cool dry location. To clean non-graphic hardware, wipe with a damp cloth.
