

Tower Trio

Product Parts

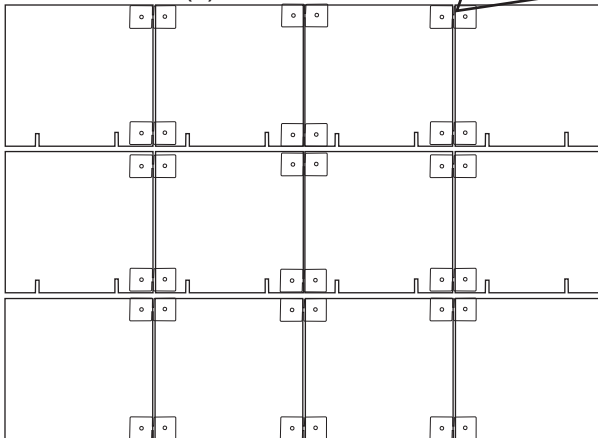

1. Bottom Pieces
(x4 for cube, x3 for triangle)
2. Top & Center Pieces
(x8 for cube x6 for triangle)
3. Power Tabs
(x24 for cube x18 for triangle)

Display Set-up

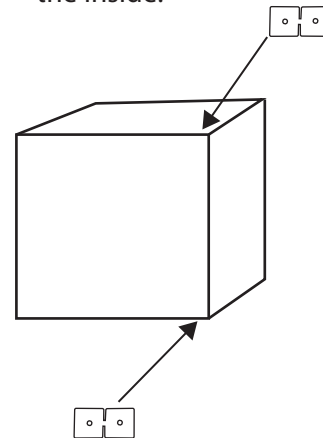

Step 1

Place Bottom Pieces (1) side by side with the print side down on a clean, flat surface and use Power Tabs (3) to connect them. Repeat for Top and Center Pieces (2).

Step 2

Fold connected pieces to form a cube and close shape with remaining power tabs (3) on the inside.

Step 3

Stack Center & Top Cubes/Triangles on top of Bottom pieces by aligning the slots with the edges of the Cube/Triangle below it.
