

# BUYER'S GUIDE TO LIGHTED DISPLAYS

**EASY  
AS 1-2-3!**

1. Do you need a single- or double-sided display?
2. Will it be a short- or long-term installment?
3. Would it need to connect to additional lit displays?

# BUYER'S GUIDE TO **LIGHTED DISPLAYS**

Spotlight Retractor has LED lights built into the base.

## GOOD

### LitFit Banner Display

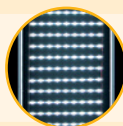

(See page 178 in our 2021 Product Guide)T

Graphic cover slips on like a pillowcase

1.75" aluminum frame features push-button connectors for easy setup

Bright LED lights are optimized for a single-sided display

Display is covered by a 1-year warranty

## BETTER

### Deluxe SEG Glo Floor

(See page 176 in our 2021 Product Guide)

Thin 3.125" frame depth gives this display a contemporary look

Connect to other Deluxe SEG Glo Floor displays using the optional Corner Connector

LED light strips illuminate the double-sided display

Hardware is covered by a 2-year warranty

## BEST

### Spotlight Retractor

(See page 37 in our 2021 Product Guide)

On/Off switch for the lights is located on the side of the base

Illuminate up to 3 units via a single power source with the included connector cords

Includes two single-sided banners that are lit from the base by LED lights

Hardware is covered by a 3-year warranty

## LIGHTING YOUR DISPLAY

### LITFIT BANNER DISPLAY

LED ladder lights hang inside the graphic cover lighting up the front of the display.

### DELUXE SEG GLO FLOOR

LED lights built into the frame light both sides for a delightful glow.

### SPOTLIGHT RETRACTOR

LED lights located inside the base to light up the back of both banners.
