RCAT CERTIFIED
Retractor Calibration Assessment Test

AMERICA'S FINEST RETRACTOR
To guarantee superior quality, we have developed an RCAT (Retractor Calibration Assessment Test) machine that assesses retractable banner components. Each retractor is tested and rated to a minimum number of times it will extend and retract with normal use, helping you find a retractor that meets your exact needs. The RCAT rating certification lets you have confidence in your retractable banner display, no matter which one you choose.
