## Display Options

### SHOWGLOWER COUNTER WITH BLOCK-OUT BACK PANEL

Backside of the counter features a block-out panel. Ideal for when a person is standing behind the counter, because the block-out panel will prevent that person from being affected by the glow.

### SHOWGLOWER COUNTER

Counter features a graphic panel in both the front and back. Ideal for when guests can see both sides of the display.

LED lights on the top and bottom of the frame create a glow effect.

The MDF tabletop offers a great deal of usable surface.
