ESSENTIAL ADD-ONS FOR YOUR NEXT GOLF EVENT

SIGNICADE DELUXE A-FRAME

The Signicade Deluxe is perfect for outdoor use. Its durable plastic frame stands up to the rain without rust or maintenance. When it's not in use, simply fold it flat; it takes up very little space in storage. Signboards slide in and out with ease, and a chalkboard insert is also available.

SAIL SIGNS

Sail signs are designed to move in the wind, making them truly hard to miss. Your artwork will be vibrantly dye sublimated on super poly knit fabric. Multiple sizes and shapes available.

ULTRAFIT THROW & OVER-THE-TOP DISPLAY

This double-sided display simply clamps to the edges of a table to create overhead ad space. Poles are made of lightweight, durable carbon composite and are reinforced with aluminum corners. Multiple sizes available. Floor bases also available so you can mount the display without a table.

OUTDOOR EVENT COOLER

This cooler lets you keep beverages cool while promoting your brand or a big sales event. It holds up to 40 lbs. of ice and 48 standard 12-oz. beverage cans. Your artwork can be displayed across most of the visible surface area on the side of the unit, giving your message the ample space it deserves.

TWIST-UP OVAL A-FRAME

This A-frame display is more than 6' wide when unfolded. When not in use, it can be folded into a 34" circle that fits into the included mesh-top carry case. Different images can be printed on each side of the display, or both sides can be printed to match.

PRIZE PUTT

Let your guests putt their way to prizes with this mini golf game. Card inserts can be easily swapped out, and a turf mat attaches to the unit to create the perfect putting surface. This mini golf game includes a putter and three golf balls.
