DISPLAYS

Learning & Education Industry

RETRACTABLE BANNERS

- Lightweight, indoor or outdoor mobile marketing
- Choose from over 40 easy to set up displays in a variety of sizes
- Great for promoting new programs, highlighting employees and training events
- Use in lobbies, reception areas, gift stores or conference rooms

MICRO GEOMETRIX W/STANDARD TABLE THROW

- Compact and easy to travel with display combination
- Micro GeoMetrix pops up to create a multi-dimensional display with interchangeable graphics
- Premium, polyester poplin table throw covers all four sides of the table and is available in multiple imprint options
- Ideal for presentations, trade shows and career fairs

TAILGATER TOTAL SHOW PACKAGE

- Complete tailgating package with everything you need to celebrate community and sporting events
- Features a Standard Event Tent, Razor Sail Sign, two Event Chairs, a Nylon Table Throw and a Four Season Event Cooler w/Rappz™ Graphic

Suggested Product Uses

BANNERS & FLAGS

- Promote school spirit with easy to hang indoor & outdoor banners and flags
- Huge selection of vinyl and fabric banners
- Single or double-sided, full-color graphics
- Ideal for entryways, gymnasiums and sporting events

EUROFIT FABRIC DISPLAYS

- Create a dynamic space at trade shows and college fairs
- Easy set up and transport
- Stretch fabric contours to the frame for a form-fitted look
- Choose from over 10 unique displays

Suggestion #1

Client: Public Libraries

Challenge: To get young students involved in a summer reading program.

Suggested Solution: Line the boulevard with brightly colored Sail Signs and Banners to attract attention, get the word out and draw people inside for more details.

SAIL SIGNS

- High-impact sail signs demand attention inside or outside
- Single and double-sided options with full-color graphics
- Three different styles, with several shapes and sizes to choose from
- Flexible carbon composite poles are backed by a Lifetime Warranty
- Use in parking lots and near building entrances to announce services and generate name recognition

Suggestion #2

Who: Science Museum

Challenge: Promote new and rotating exhibits.

Suggested Solution: Use a Standard Table Throw and Stellar Retractor in high traffic areas to present information regarding the current exhibit and change out the retractor graphic when a new exhibit opens.

A-FRAME SIGN DISPLAYS

- Increase visibility for events and promotions
- Use single or double-sided
- Quick and easy set up
- Great for promoting events and directional signage

What Are Learning & Education Organizations?

Organizations that provide a form of learning in which the knowledge, skills and habits of a group of people are transferred from one person to the next through teaching, training or research.
