Banners & Flags

Make an announcement that gets you noticed. Full-color banners and flags are available single- or double-sided and come in both indoor and outdoor options.

Economy Retractors

The Economy retractor is a truly utilitarian advertising option. It's lightweight and portable, so you can either leave it in a lobby or take it on the road. Offered in six sizes, this retractor puts in a hard day's work wherever you decide to use it.

Standard Table Throw

Turn any table into a prime advertising opportunity with the popular Standard table throw. It is constructed of high-quality polyester poplin and it covers all four sides of your table. It's also flame-retardant, machine-washable and wrinkle-resistant.

Sail Signs

Don't let potential customers pass you by; sail signs maximize your visibility by standing tall and fluttering in the breeze. The carbon composite poles are strong and flexible, and the banners feature reinforced pole pockets. Sail signs are available in a variety of shapes and sizes with several base options for indoor and outdoor use. Banners are dye sublimated to produce rich, vibrant colors, and they come in both single-sided and double-sided options.

Tents

Tents create the perfect space for hosting events and providing shade. Tent canopies can be imprinted with a logo or dye sublimated with a full-color design. These tents have an enormous variety of accessory options, so you can design a standout look that's perfect for your company.

Prize Wheel

Draw a crowd with games and prize giveaways. This interactive display features twelve customizable prize slots and a center plate to accommodate whatever prizes you come up with. It's easy to assemble, and it's light enough that it's easy to travel with. The Prize Wheel can be used as a standalone floor display or it can be set up on a tabletop.

Signicade Deluxe A-Frame

A-frames are great for short-term outdoor use, and the plastic construction makes them weather-resistant and maintenance-free. They're available in single-sided and double-sided options.
